

(Gunfire and helicopter sound effects playing in black background)

Narrator (V.O)

They say war changes a person's view on life forever. Be it a good change or a bad change, they all know that this change will be with them for the rest of their life. And on this day, that change came when one soldier least expected it.

(Fade into night sky with EWS of helicopter flying towards camera, and then flying away from camera)(Camera pans down to VWS of four soldiers running towards beige rundown building)(Sound effects continue playing throughout)

(WS of Douglass, Wes, and two green hats leaning against the building)

Douglass

Alright, here's the plan: we blow the door off, storm the room, kill any motherfuckers we come across, rescue the VIP, and escort his ass out of here. It's that simple. \*Douglass turns head to look at Carver\*  
Carver, set up the charges.

(Cut-in on Wes' hands setting up the C-4 explosive)(MS of Wes returning to position with Douglass still in position)

Douglass

Carver, do it...

(MS of Wes setting off the charge, and Wes entering the room first, then Douglass points his gun and fires, loud screams emitting from VIP)(MS of Douglass turning on the lights) (OSS of Douglass seeing Wes standing next to VIP's dead body)(MCU of dead VIP's blood spreading on the floor)(CU of Douglass in distraught)

Douglass

My God, Wes, what the fuck?!

(OSS of Wes seeing Douglass leaving, and then OSS of Wes looking down at VIP's corpse with blood oozing out)

(MS of Douglass radioing HQ outside)

Douglass

HQ, this is Colonel Douglass. Mission failed. VIP was executed. Lieutenant Carver held responsible.

HQ (Radio voice)

You've got to be shitting me! I want you to exile Lieutenant Carver on the spot.

Douglass

Yes, sir. I understand.

(OSS of Douglass seeing Wes exiting the building of where the VIP was in)(MS of Douglass yelling at Wes)

Douglass

CARVER! What the HELL is your major malfunction?! Do you have any idea what you've done?! You killed the VIP! You are hereby exiled from the New Republic's Army. I don't want to see your face ever again.

(CU of Wes' face looking gloomy)(Wes turns around, cut to WS of Wes walking away, then OSS of soldiers looking at Douglass)

Douglass

This is what happens when you don't follow proper procedures. Let this be a lesson to you guys.

Soldiers

Yes, sir.

(Camera pans up into night sky; fade to black)
